

February 25th , 2018

Social Studies
The effects of the industrial revolution continues.

Reminders

- Students have to get their reading logs every **Thursday**.
- Students have to get their portfolios to be checked every **Sunday**.
- Last session of activity starts on Tuesday 20th.

This Week's Focus

For this week we will be reading an expository text

Vocabulary:

• absorb	We used sponges to absorb, or soak up, the water.
• affect	Strong winds affect, or influence, how fast a boat sails.
• conserve	If you conserve something, you keep it from harm, loss, or change.
• cycle	A cycle is a series of events that happen over and over in the same order.
• glaciers	Glaciers are large masses of ice found in cold regions or on top of high mountains.
• necessity	A necessity is something that is needed or required.
• seeps	When a liquid seeps, it flows or spreads slowly.
• circulate	When something circulates, it moves in a circular path.

Reading: Power from nature.
Grammar: verb tenses continue
Writing: writing an opinion essay.
